Items for Him

Arcaro Martini Gold Whirlpool

Don't leave your home for a royal spa treatment. This 24 karat gold whirlpool bathtub by Arcaro Martini is big enough to fit six people and has three different settings. The outside is covered in pleated leather and the mechanisms are covered in Swarovski crystals.

\$100,000, Arcaro Martini Stores, Dubai

Black Crocodile Skin Umbrella

Enjoy the rain like an amphibian protected by black crocodile skin. Billionaire Couture creates these top-quality, water resistant umbrellas from the finest scaly creatures the world has to offer. \$50,000, billionairecouture.com

Anders Hagardzon Kevlar Briefcase

For the most secure (and stylish) briefcase on the planet, opt for Anders Hagardzon. Advanced locking solutions range from an electronic key to a fingerprint scanner, making your valuables secure. The frame is made of reinforced bulletproof kevlar and carbon fiber composite, while materials such as laquer, carbonfiber, and leather are customizable on the outside for your personal taste. Add a family crest, logo, or other design to make this briefcase truly your own. \$104,000, hagardzon.se

Pininfarina Areskuba XTen Office Chair

Created by Pininfarina, an Italian car design firm best known for designing luxury cars like Ferraris and Cadillacs, the Aresline Xten could be the most comfortable chair ever made. The Dynamic Synchronized Tilting system allows users to tilt the back and the seat independently while the technogel in the cushions conforms to the shape of the user. \$250,000, pininfarina.com

Jack Row's Gold, Rhodium, and Diamond Pen

For men who opt for a bit more flash and glamour in their daily dealings, opt for a regal writing utensil that makes a big impression. 18-karat gold filigree and 0.9-carat diamonds sparkle through an Islamic-inspired design bearing the signature of Jack Row. This limited-edition item will only be produced for 88 lucky buyers, so sign up as soon as you can. \$43,500, jackrow.com
